

A discussion on returning to club cricket scoring.

Both the England & Wales Cricket Board (ECB) and the ECB Association of Cricket Officials (ECB ACO) have issued guidelines for clubs, players and officials to make a safe return to club cricket in July 2020, but can you apply those guidelines sensibly in your scoring environment?

What modifications have you planned or already implemented to create a safe scoring environment?

Have you already returned to scoring and can offer some tips and advice for scorers yet to do so?

Join this discussion via the chat window, with all useful tips and advice being relayed back on the screen for those watching at a later date or unable to access 'Chat' and let's pool our scoring experiences to help each other to get back in the scoreboard.
