

This is a short tutorial to get you started with linear scoring. It is aimed at existing scorers who want to have a go at a different method of scoring. Here are some links for some useful documents to help you get started.

There is a blank linear detail and linear summary sheet that you can print off and use to score and a completed sample to show you what linear scoring looks like.

A blank linear sheet is available here: <https://bit.ly/2VoqvSy> An example linear sheet is available here: <https://bit.ly/2wEa9wM> A Blank Summary Sheet: <https://bit.ly/2KaAsxD>
